Stony Brook Medicine

Employee Self-Health Assessment

Per New York State Title 10 Health code 405.3, employees are required to undergo an annual health assessment. Completed assessments must contain an actual physical signature or be signed with Adobe e-sign and sent to employeeannuals@stonybrookmedicine.edu between the first and last day of the employee's birth month.

Name		Employee ID#		DOB	
Job Title		Department		Supervisor

Additional Information and Employee Attestation

- I understand that if I work in an identified high-risk group for TB exposure, I will need to provide evidence of TB clearance and that EH&W will contact me if this is the case.
- I certify that the information I provided is complete and accurate to the best of my knowledge. I also attest that I am free from all known current health impairments that are of potential risk to patients or personnel or might interfere with the performance of my duties including but not limited to habit or addiction to depressants, stimulants, narcotics, alcohol, or other drugs or substances, which may alter behavior Per NYS DOH 405.3.
- Pregnant employees and employees with disabilities who require accommodations in order to perform the essential functions of their jobs should contact Human Resources.
